

Safety data sheet

in conformity with the directive direttiva 91/155 CEE e DLgs 03/02/97 N.52
16/07/98 N.285 e seguenti

Compilation date: 28/01/08

Revision date:

Revision number:

1 Identification of the product and of the Company**1.1 Product's name:****MICRO WAX PZP024****1.2 CAS number:**

8009-03-8

1.3 Identification of the Company:

Xin Hong Chang (Hong Kong) International Limited
No.39 Baimiao Road,Jingmen,Hubei 448039 China
Tel:+86-724-221 1468 Fax:+86-724-221 0400

2 Composition / information about the ingredients**2.1 Chemical composition:****MIX OF HIDROCARBON****2.2 Dangerous substances:** NONE (DIR.: 1999/45/CE - 2001/58/CE- 2001/59/CE 2001/60/CE)**3 Risks identification:****3.1 Danger classification:** NONE**3.2 Dangers for the health:**

- The product is pratically not dangerous if used by observing the common industrial hygienics pratices.
- The melted product at the liquid state has an high temperature and can therefore cause burns if in contact with the skin.
- High product's smoke or powder concentration coul cause eyes inflammation and soreness.

4 First-aid measures**4.1 Inhalation:**

Take the affected person to an uncontaminated room. Consult a physician.

4.2 Contact with the skin:

Wash with water and detergent, and rinse carefully. In case of contact and/or solidification of the melted product on the skin, ask for medical assistance if burns are present.

4.3 Contact with the eyes:

Wash immediately and carefully with running water. Consult a physician.

4.4 Swallowing: ask for medical assistance.

Safety data sheet

in conformity with the directive direttiva 91/155 CEE e DLgs 03/02/97 N.52

Compilation date: 28/01/08

Revision date:

Trade name:
MICRO WAX PZP024

5 Fire protection

5.1 **Suitable extinction means:** CO2, powders, foam.

5.2 **NOT suitable extinction means:** water.

5.3 **Specific protection means:** oxygen respirator.

6 Measures in case of accidental emission

6.1 **Personal protection measures:** gloves and glasses.

6.2 **Environmental protection measures:**

Prevent emission in the environment.

Prevent the introduction of the product into the sewerage system, rivers, water beds, etc...

6.3 **Cleaning methods:**

Collect through mechanical means and discharge according to the current laws.

7 Handling and stocking:

7.1 **Handling:**

Wear gloves and glasses in a ventilated room, and avoid that product's smoke or vapours accumulate.

7.2 **Stocking:**

In dry and ventilated rooms.

Apart from heating sources or flames.

8 Exposition control/individual protection:

8.1 **Skin:** Waterproof gloves.

Eyes: Protective glasses.

Inhalation: Work in a ventilated room with the melted product.

After the handling of the product, wash oneself carefully, before drinking, eating, smoking or going to the bathroom.

8.2 **Exposition:** Not determined.

Safety data sheet

9 Physical and chemical properties

PHISICAL STATE (25 °C):	Solid	
COLOUR:	1/5	ASTM D1500
FLAME POINT:	>300 °C	ASTMD92
=====		
=====		
=====		

10 Stability and reactivity**10.1 Stability:**

Stable for about 6 months if stocked at the right conditions.

10.2 Reactivity:

Dangerous reactions of the product are not known.

10.3 Decomposition products:

Carbon dioxide, water. Carbonic oxide and hydrocarbons in case of incomplete burning.

11 Toxicologic information

11.1 **Toxicity:** LD50 Ratto ca. 3 gr/Kg.

11.2 Primary irritability:

Extended exposure to smoke and vapours or powders, can sometimes cause eyes inflammation or soreness.

12 Ecological information

12.1 Do not discharge the product into the sewage systems, water beds or superficial water.
Do not waste in the environment.

13 Consideration about the discharging

13.1 Operate according to the current national laws (DPR n°915 dd. 10/9/82, DPR n°691 dd. 23/8/82, law n°475 dd. 9/11/88 and following updatings).

14 Transport information

14.1 The product is classified as not dangerous in the categories: ADR / RID / IMO / ICAO / IATA.

15 Information about the regulations

Law 256/74 and related norm

DPR 303/56: General Hygiene safety work norms

DPR 547/55: Work accidents prevention norms

DPR 336/94: Industry occupational diseases charts

DL 626/94: DLgs 242/96 Enforcing of EU norms : 89/391-89/654-89/655 – 89/656-90/269 –90/270-90/394-90/679

DLgs 25/2000

16 Further information

No further technical information.

This safety data sheet contains technical-scientific information drawn up according to our knowledge, and referring to the above indicated product only; as a consequence they could be not valuable if the product is going to be combined with others or included in other chemical processes. We recommend to verify the national and regional regulations concerning this specific field, as well as the current hygienic, labor safety and environmental regulations.

The a.m. information are held as correct and given in all honesty. They don't imply any obligation, guarantee, freedom to use industrial proprieties, or any license. The a.m. peculiarities do not constitute contractual specifications.
